

Students' Day

© Intercongress

On Student's Day, prospective doctors can expect exciting insights into the specialist field of orthopaedics and trauma surgery. It takes place every year as part of the German Congress for Orthopaedics and Trauma Surgery ([DKOU](#)).

The [Young Forum O&U](#), the junior organization from the field of orthopaedics and trauma surgery, presents prospective doctors with the great variety to be found within the field, guides them through the world of science and research, accompanies them in discussions on vocational training policy helps them make sense of industrial exhibitions. The students also have the opportunity to meet the congress presidents and discuss any questions they might have about the field or the medical career.
