Who is currently researching into what, at which hospital, and into which topics in the field of orthopaedics and trauma surgery? The Forschungsdatenbank O & U [O&U Research Database] can offer you a good overview faced with these queries. You can also search for current research projects across Germany using this tool.

Enter your project, too, and take advantage of an opportunity to network with other researchers! Collaborate with us, and populate the Research Database with new and exciting science!
